BC1300

Tie your roast meat, ham, chicken, etc. with our heat-resistant twine on your automatic binding machine. For small and hard objects. It is also often used for vegetables and other foods. To differentiate your meat products, our products are also available in the standard colors black-white, red-white or green-white.

Packed in the protective PE shrink film, we ship our cords in all common packaging. As small coils, our products are pleasant to hold and easy to knot.
