# FRS MINI

## TABLE-TOP TYER

Specifically designed for retail use, the FRS Mini Tyer is the perfect machine for super markets, butcher shops and all retail outlets. Reduced size and smaller price do not however mean compromised performance.

## SPECIFICATIONS:

- Connected load: 230 V, AC, 50/60 Hz 0,3 kW
- Sound pressure level: 70 B (A) +/- 1
- Weight: 80 kg

## STANDARD FEATURES:

- PLC controller
- Low noise reliable electronic motors
- Up to 37 strings/min
- Selector switch for 1,2,3 and cross tying
- Works with polycotton or elastic cooking twines
- Fully Stainless-Steel construction
