# WINWRAP<sup>®</sup> HAND FILM

***THE ORIGINAL PRE-STRETCHED HAND WRAP TO PROVIDE MAXIMUM YIELD AND MINIMUM WASTE***

## **FEATURES AND BENEFITS:**

- Mechanically pre-stretched
- Folded outside edges
- Low gauge, lightweight rolls
- Improves yield vs. hand-stretching
- Allows faster and easier wrapping with no loss of load containment
- Reduces “neck-down” during wrapping, providing full use of the film’s width
- Prevents roll damage and waste
- Provides easier handling and more linear footage than most standard film rolls

## **APPLICATIONS:**

- Load Types: A and B
- Warehouse and distribution centers

## **GAUGE:**

- 29, 33, 38 g

## **WIDTH:**

- 13.5, 15.5, 17.25 in
